Process reliability: TM-I

TM-I inlay tags have a guide tab which allows them to slide easily into the transparent sleeves from the type TM. Once the tag is in place, the tab is snapped off at the predetermined break point. The ready-assembled sleeves can then be simply pushed over the conductors. Your benefits: large quantities can be efficiently pre-assembled in a single step.

General ordering data

Version	TM-I, Insert markers, 23 x 4 mm, blue
Order No.	2005970000
Type	TM-I 23 MM BL
GTIN (EAN)	4050118390261
Qty.	2,000 Stück
compatible printer	2599430000 2599440000
