

Carrier Marking System, laser

• Helafix HFX Labels

Features and Benefits

The HFX labels have been specially developed for application with the Helafix carrier strip. They are supplied in the DIN A4 format and can be printed with a laser printer or marked manually using the T82S series of indelible marker pens. Every sheet of HFX labels is supplied in two colours (front yellow, reverse page white). Further colours are available on request.

For problem free printing, we recommend our software Tagprint Pro.

A precise match for Helafix, for permanent identification coding.
